How to inspire (female) teenagers to pursue a career in Cybersecurity

The project **Be@Cyberpro Erasmus Plus** has created a whole set of resources for inspiring teens, specially female students, to develop a professional career in Cybersecurity, one of the most promising fields in IT. **Universidad de Alcalá** is participating in the project coordinated by **Gonzalo Mariscal** from **Universidad Europea** with a whole team of researchers and technicians like **Luis Fernández**, **Maite Villalba de Benito**, **Ana Castillo Martínez**, **Vera Pospelova** and **Ines Lopez Baldominos**. One of our contributions is this inspirational video presenting Cybersecurity profiles: https://lnkd.in/d/TSEV_g
More resources (e-books, videogame: <https://lnkd.in/duUjrdD>, etc.) on project website <https://lnkd.in/g4XENJz>.
Stay tuned! Be a Cyberpro!

The screenshot shows a LinkedIn post from the profile 'EU projects DCC UAH', which is an EU-funded projects researcher at Universidad de Alclá. The post is titled 'Take Jigsaw's Phishing Quiz' and includes the following text:

Can you spot when you're being phished? Identifying phishing can be harder than you think. Phishing is an attempt to trick you into giving up your personal information by pretending to be someone you know. Can you tell what's fake? Try out this quiz and discover the results. Consult our didactical guidelines, our platform and the best practices to Be@CyberPro! <https://lnkd.in/g4XENJz>

The post also includes a link to <https://lnkd.in/dNmsimB> and the hashtags #cybersecurity #STEM #female #vocation. Below the text is an illustration of a yellow fish with a smartphone for a body, surrounded by fishing hooks, symbolizing phishing. The illustration is credited to 'Jigsaw | Google'.

The post has 5 likes and 1 comment. The bottom of the screenshot shows the 'Reacciones' (Reactions) section.
