<b>Dissemination level</b>	Local
<b>Place</b>	Sofia, Bulgaria
<b>Target groups</b>	Students, High School Teachers
<b>Activity number of participants</b>	20
<b>Impact of the activity</b>	The activity was reported by the Bulgarian project partners on their company's social media profiles and websites. The content was further shared on the project's social media profiles and was re-shared by multiple organizations and institutions.
<b>Feedback received</b>	The overall feedback from the event was positive and the students got to see an actual cybersecurity laboratory, meet cybersecurity specialists, ask questions about their work, the lab and their education. We think that this event had a positive impact in terms of promoting the career of a cybersecurity professional.
